Docket No. 92-90
1919 M St., N.W.
Washington, DC 20554

To Whom it may concern,

I am writing to you today in regards to Docket No. 92-90 concerning the restrictions on person-to-person solicitations of residential homes.

I would like to inform you that I am a real estate professional and a key part of the residential real estate business involves using the telephone for person-to-person solicitations.

I ask of you, the commission, not to pass any restrictions on person-to-person solicitations of residential homes, as this is very important to our everyday business practices. The telephone enables us to reach people that we otherwise could not. We provide a valuable service to them. We offer free professional advice to those in need. I also believe that this Docket No. 92-90 would contribute more hardships in an already tough market.

Thank you in advance for your time and attention to this extremely important issue.

Thank you again for your time,

Lawrence M. Evans
